

## Pānui Wiki Tuawhā, Wāhanga Tuawhā

**Whiringa-a-rangi, kua tau te raumati, kua kaha te rā-** *The full effect of summer is felt!*

Well summer is nearly upon us! Hopefully the weather follows suit!

The year is quickly passing us by now with only 5 weeks to go until the end of our year at kura! It is jammed packed with lots of whanaungatanga, mātauranga and hopefully great weather!

As we are nearing the end of the year, we are looking into next year and want whānau to give feedback on our mahi and what your aspirations for your tamariki are and their learning.

Attached is a survey and survey link (up to whānau which one you choose). If you have other whānau members who want to give feedback as well they are more than welcome. Our whānau's voice is extremely important to us so please let us know your whakaaro. There is also an opportunity to give whakaaro on our new health programme for next year. Your feedback in this area is important to us as well.

Me maumahara tātou, he waka eke noa- we are all in this together and only together will we prosper.

Kia haumarū tō noho,

Nāku noa,

Whaea Ripeka

# Hāpuku School Feedback

This is a quick survey to get as much feedback from our whānau as we can to ensure we are providing our tamariki with the education that our whānau want and expect. This information will be used to change, improve and enhance our marautanga (curriculum) here at Hāpuku School.

Please be as honest and open as you wish. Your voice and whakaaro are extremely important to us as we continue to row our waka for our tamariki.
